

1 AUTOMATED SERVICE: You have reached the SPRINT voice  
2 mailbox of... BEEP  
3 D'ANGELO LEE (LEE): SHEILA, this is the kind of stuff  
4 that  
5 pisses me off because I know that you're getting my  
6 messages.  
7 I know that your phone is not ringing and you don't hear  
8 it, or you have not used your phone for the last three or  
9 four hours, 'cause I've called DON as well. You know,  
10 this stuff is unnecessary, (UI) and I cannot accommodate  
11 you today, or whatever, but there's no one called.  
12 This is ridiculous and that's the kind of stuff that  
13 pisses me off. I've called you at home and I know that  
14 you've got my messages. I know you've seen my number.  
15 For you guys to ignore me, that is, that is unnecessary  
16 and uncalled for, much as I (UI), anyway. Alright,  
17 I have, I have no money. My wife's birthday is today.  
18 I have no money to take her out, or do anything at all,  
19 whatsoever. I was only able to get eighty dollars out of  
20 the bank today, and thirty of that had to go into my gas  
21 tank. So, I'd appreciate you (UI). It's not even your  
22 fault, it's my fault.
